

## Centennial News Update

### HISTORICAL PICTURES OF HOLY ROSARY

We are currently producing a photo montage for the Centennial Celebration and are looking for historic pictures. If you have historic pictures of the church and its history and are willing to share them, boxes are available in each wing of church and at the rectory. We're asking for all pictures to be turned in by Monday, July 26. Make sure to write a caption or description of the picture and please label it with your name for return. Thanks in advance for your support of this multimedia presentation.
