Annual Brat Fry & Meeting -The officers fry out for the membership and elections are held at this meeting.

Note - Most of our projects are very short term and not very time consuming which is needed to keep our parish running. We could really use some younger members to work with our seasoned veterans. The Holy Name has a special memorial mass for all of our deceased members. After our meetings we have a lunch served by some of our members and usually have a couple card games before leaving home. For \$1.00 a year, your benefits are plenty. Come and join the fun.
