**Accompanists/Cantors:**

There is a desire to substitute songs because you may not like what is on the schedule. A considerable amount of time is spent choosing songs that coordinate with the readings for our liturgies. Let's work together to use the schedule as prepared without making substitutions.

Hopefully we will be in the midst of warm weather shortly. We are blessed with an air-conditioned church so please be mindful of dressing appropriately i.e. no shorts, mini/micro skirts, cropped tops etc.

Keep in mind that this schedule is made up for three months at a time and changes can and often occur. The weekly bulletin will reflect any last minute changes so please be sure to check there.
